'Teach children how they should live and they will remember it all their life'

## Happy New Year to you all.

Happy New Year to you all. I hope you had a great Christmas and a lovely New Year. We are all so excited to see the children again. We have lots of lovely things planned for them. This term is another busy term for the children.

## FOOD AND DRINK

We ask that if you send your child to school with a packed lunch that you involve him/her in making healthy choices. We are delighted to see that the vast majority of lunchboxes are already packed with healthy options which the children enjoy.

### **Some suggestions for a healthy**

Yogurt, Crisps (low salt, reduced

## Congratulations and well done

Three of our boys from St Botolph's went to the indoor athletics trials in December and have all been selected to represent Lincolnshire at the Under 11 indoor athletics regional finals in February. The boys are Noah Sutton, Oliver

Gunter and Euan Bradwell, We are so proud of them all.

Good luck boys and well done.

**Please do not** send in chocolate bars or any food that contains nuts ie Nutella.

Please make sure that the children only put **water** in their water bottles, no juices please.

Our **Christian Value** this term is Friendship. We have six Christian values through the school:

**Perseverance, Thankfulness, Truthfulness  
Compassion, Respect Friendship**

These were all chosen with the children, staff and the governors. It is important that these Christian values flow within and outside the school. The children are taught all these values and together we remind each other about these values and how they can make a difference in our lives.

*Please ask your child to tell you what they have learned in these sessions.*
